YAM LT. KOL. TENGKU AMIR NASSER IBRAHIM
SHAH IBNI AL-SULTAN ABDULLAH RI'AYATUDDIN
AL-MUSTAFA BILLAH SHAH, SSAP., SIMP.
MUIP VICE PRESIDENT**

Alhamdulillah, in the name of Allah SWT, the Most Gracious and Most Merciful. With His will, we are here to take part in International Conference and Muktamar on Prophetic Sunnah (ICMAS 2021) from 28th to 29 January 2021.

ICMAS 2021 is organized to set a platform for knowledge discussion especially regarding Hadith and Sunnah among Islamic scholars in the world including Malaysia. I believe this webinar conference will be the best platform to promote Hadith as a source of Islamic syariah. At the same time, it will motivate the ummah to practice the sunnah of Rasulullah SAW in their daily life.

As Muslim, it is our responsibility to spread and explain Islam to other people. This is how we prove our love to our beloved Prophet, Muhammad SAW. From Anas bin Malik, the Prophet Muhammad SAW reportedly said: "None of you will have faith till he loves me more than his father, his children and all mankind." (Hadith narrated by al-Bukhari).

I hope that ICMAS 2021 will highlight KUIPSAS Academy of Hadith as the center of excellence in Malaysia, Insya-Allah. I would like to extend my gratitude to everyone in making the conference a reality. And I hope that ICMAS 2021 will continue to be an annual event for KUIPSAS Academy of Hadith.

It is hoped that ICMAS 2021 will produce more Hadith experts in order to preserve the sunnah of our Prophet. Hopefully the cooperation between KUIPSAS and MUIP will continue to be strengthened in the future.

Lastly, thank you very much to all presenters, participants and committee members for organizing this conference.

**SEMANIS BICARA
YBRS. PROF. MADYA DR. HAJI MOHD ZAWAVI
BIN ZAINAL ABDIN
RECTOR KUIPSAS**

In the name of Allah SWT, the Most Gracious and Most Merciful, we would like to extend our gratitude for making this online International Conference and Mukhtar on Prophetic Sunnah (ICMAS 2021) possible today.

This first International Conference and Mukhtar on Prophetic Sunnah (ICMAS 2021) is organized by KUIPSAS Academy of Hadith in collaboration with the Faculty of Islamic Studies, KUIPSAS and Pahang Islamic Religious and Malay Customs Council (MUIP) in conjunction with 25th Silver Jubilee of KUIPSAS. It gives me great pleasure to say that this high impact program is conducted despite the COVID-19 pandemic. My deepest gratitude to all presenters for being positive and willing to share their knowledge and expertise.

In Islam, hadith is not merely a source of shariah but it is the main foundation to build civilization. In relation to that, Sunnah: Core for Excellence in the Civilization of Ummah is selected as the theme for ICMAS 2021 to uphold our Prophet sunnah as the basic pillar of Islam as well as highlighting the role and the strength of Hadith in the development of civilization and solving problems in line with current needs.

As the host, I would like to welcome all ICMAS 2021 presenters and participants from Malaysia, Indonesia, Brunei, Egypt, Jordan, Nigeria, Tunisia, Czech Republic, Saudi Arabia and countries. I hope all participants of the conference will gain rewarding experience from all hadith studies presented during the event. I also hope that the bonding we have experienced today will last forever as stipulated by Islam.

Lastly, I would like to extend my gratitude to YAB Menteri Besar Pahang, Dato' Sri Wan Rosdy bin Wan Ismail, YAM Lt. Kol. Tengku Amir Nasser Ibrahim Shah Ibni Al-Sultan Abdullah Ri'ayatuddin Al-Mustafa Billah Shah, MUIP Vice Director, and Pahang State Secretary, YB Dato' Sri Dr Salehuddin bin Ishak for their endless support. I also would like to express my sincere appreciation to MUIP for the collaboration. And not to forget, I would like to congratulate all the working committee members of ICMAS 2021 for their tremendous teamwork and effort in making the conference a reality. Jazakumullahu khayral jaza' fid dunya wal akhirah.

Thank you.

INTERNATIONAL CONFERENCE AND MUKTAMAR
ON PROPHETIC SUNNAH (ICMAS 2021)

**SEKACIP PINANG
YBRS. DR. SAFIAH BINTI ABD RAZAK
DIRECTOR
INTERNATIONAL CONFERENCE AND
MUKTAMAR ON PROPHETIC SUNNAH
(ICMAS 2021)**

Alhamdulillah, deepest gratitude to the Almighty for his blessing in giving us this opportunity to organize the International Conference and Mukhtar on Prophetic Sunnah (ICMAS 2021) in conjunction with KUIPSAS 25th silver Jubilee today.

This conference aims to glorify the Sunnah of the Prophet as the main foundation for the civilization of the Ummah. It means the Muslims are able to achieve excellence in this world and the Hereafter if they uphold Al Quran and Sunnah. It is hoped that academic discussion, integrative and holistic interactions among the presenters will generate solutions especially in educating society of the role of Hadith in our daily life. Furthermore, it is the responsibility of Islamic scholars to clarify the understanding of the Sunnah to the society.

We are all aware of the spread of ideologies such as materialism, hedonism, liberalism, pluralism and others in our society. It has become the biggest threat to upholding the Sunnah of the Prophet in our society. Due to that, the Islamic scholars need to come out with an effective plan to repel attacks and false accusations towards Rasulullah SAW.

It is hoped that this conference, despite being held online, will strengthen the bond between presenters and participants from various countries. With this, I would like to call upon all Muslims around the world to hold on strongly to our beliefs and practices of Islam.

Special thanks to Pahang Islamic Religious and Malay Customs Council (MUIP) for their support. Thank you to KUIPSAS Rector, YBrs Dr Haji Mohd Zawawi bin Zainal Abidin, program advisors Ybbs Dr Mohd Faddy bin Ismail, Ybbs Dr Norahida binti Mohamed and YBrs Ts Dr Wan Azani bin Wan Mustafa.

Lastly, thank you to all committee members for the commitment. All the efforts and ideas in making this program successful will be rewarded. Insha Allah.

BACKGROUND INTERNATIONAL CONFERENCE AND MUKHTAMAR ON PROPHETIC SUNNAH (ICMAS 2021)

- The expansion of Islamic studies from a long ago until today seems to show a satisfactory achievement in every field of study including the study of Sunnah Nabawiah. Nevertheless, Islamic scholars are expected to strive harder in highlighting the importance of the study of Sunnah Nabawiah in developing the civilization of Muslim community. In relation to this, the understanding of the community with regards to concept of integrated knowledge nowadays needs be strengthened.
- Integration of knowledge is among the mediums where researchers seek understanding of this phenomenon in a wider scope. This means that regardless of the situation in which the Muslim communities are, Islamic scholars are seen to always have the ability to explore and analyse every issue and problem based on a comprehensive and integrated view in line with Islamic principles which seek no separation between worldly knowledge and the knowledge of the hereafter or between the Fardhu Kifayah and Fardhu Ain. In other words, Hadith studies shall not be seen as separated to other Islamic studies.
- The specialty of ICMAS 2021 is that ICMAS 2021 focuses on the concept of Integrated Knowledge. Research topics to be presented are not confined only within the boundary of Sunnah instead they are interconnected with numerous other fields of studies. In referring to the concept of the true Islamic knowledge, both the Qur'an and Hadith are the two main sources that act as the bases in conducting researches as well as developing other fields of sciences or knowledge in an effort to make this world which belongs to Allah prosper.
- From another perspective, is facing the challenges of current trends of thinking and the advancement in technology which are moving forward constantly. Ideas and theories coming from this modernisation are spread fast and wide with the help of technology. Such ideas may dilute the community from their deen and as such the Hadith and Sunnah are now being challenged as a main source of Islam. This phenomenon would not make the scholars satisfied with their existing achievements and instead, work harder and smarter in proving that Islam is the best and that Islam is relevant for all times.
- The main objective in organising ICMAS 2021 is to provide a scientific digital platform in discussing knowledge on the field of Prophetic Sunnah in an integrative and holistic manner. ICMAS 2021 will also become a virtual platform for Islamic scholars to share their knowledge, solve issues and build a bond among presenters and participants. Moreover, our hope from this programme is to ensure that a positive impact can be achieved from the efforts of developing the civilization of the Muslim community through the scrutinization of high knowledge. All in all, this will later on create a strong impact among the participants as well as the Islamic scholars to do more with knowledge, have a deeper compassion for Rasulullah S.A.W and his fight for the Muslim community, and hence making them more sincere and enthusiastic in upholding the religion of Islam for the welfare of Muslim community in this world and the hereafter.
- ICMAS 2021 is a program organized by Academy of Hadith KUIPSAS in collaboration with Faculty of Islamic Study KUIPSAS and Council of Islam and Malay Custom of Pahang (MUIP).

OBJECTIVES INTERNATIONAL CONFERENCE AND MUKTAMAR ON PROPHETIC SUNNAH (ICMAS 2021)

To become a platform for integrative and holistic academic discussions among participators and project paper presenters in relevance to the knowledge of Sunnah Nabawiah.
